Re: Stigmatine property at 554 Lexington Street

Dear Members of the City Council,

The Stigmatines understand that the Mayor is initiating yet another hostile attempt to acquire the Stigmatine property and this matter will be before the Council at the September 11, 2017 Council meeting.

In connection with the Mayor's communication to the Council, I wish to reiterate what the Stigmatines have stated repeatedly: The Stigmatine property at 554 Lexington Street is not for sale, in whole or in part, for any amount of money. We wish to continue to conduct our ministry on our property as we have been doing for almost 100 years, without interference from the City.

Sincerely,

Reverend Robert S. White, C.S.S.  
Provincial
